CHORISTERS... Sparkling in their black and white vestments are members of the St. Andrew's Choristers, a choir of men and boys at St. Andrew's Episcopal Church. Led by Charles Eade, the boys have become an important part of the church. Miss Amy Bourquin is the organist. Mrs. Dorothy Allen, shown with the boys above, is the choir mother and advisor. She was chairman of the group of ladies who made the vestments.

Choristers Seek Additional Boys

Striving to attain a membership of 40, the St. Andrew's Choristers, organized in January of this year, now have 22 members. Director Charles Eade reported this week.

Boys working with this important church group are being taught musical notation, voice placement, sight singing so work and chorus work in general, Eade said.

Boys interested in joining the choristers may make application to Rev. Arthur Bello at St. Andrew's Episcopal Church.

Methodist Membership Increases Announced by Torrance Minister

Reporting to the Annual Business meeting of the Methodist church last week, Rev. Clarence E. Miller, pastor of the First church here, revealed that 160 new members have been added to the church roll and that the Women's Society of Christian Service has doubled its membership.

Methodists To Observe Student Day

Sunday will be observed as "Methodist Student Day" at the First Methodist Church of Torrance according to the Minister, Rev. Clarence E. Miller.

Two worship services will be held in the morning, the first beginning at 9 and the second beginning at 11. The young people of the church will assist the minister in conducting the worship service.

The minister will preach on the theme: "Thermometers vs. Thermometers" which will be presented especially as a challenge to youth. The youth choir will sing at the first service and the combined youth and adult choir will sing at the 11 a.m. service.

The new schedule for the Sunday School for the Nursery, Primary, and Kindergarten departments begins at 9 a.m. simultaneously with the first worship service for older children, youth, and adults, and continues until after the Sunday School classes from 10 to 10:45 a.m. This service is provided to give opportunity for the family to come together for worship and study and leave together at a time that is convenient to all.

Nazarenes Plan Childrens Theme

A children's day theme will be promoted during the morning services at the Nazarene Church, 1501 W. Carson street, Sunday morning, encouraging the children to attend worship services of the church.

During the Sunday school hour a program will be presented by the children entitled "His Fruit Basket." The morning worship service will stress the importance of children's work and their place in the kingdom of God.

Parents have been invited to bring their children to these services.

'God, Preserver of Man' Science Topic Sunday

The Golden Text of the Sunday lesson-sermon on "God, the Preserver of Man," in all branches of the Mother Church, the First Church of Christ, Scientist, in Boston, is chosen from the Psalms and reads: "Withhold not thou thy tender mercies from me, O Lord; let thy lovingkindness and thy truth continually preserve me."

A Bible passage from Matthew reports that a leper came to Jesus saying: "Lord, if thou wilt, thou canst make me clean. And Jesus put forth his hand, and touched him, saying, I will: be thou clean. And immediately his leprosy was cleansed."

And Jesus went about preaching the gospel of the kingdom, and healing every sickness and every disease among the people. Then saith He unto His disciples, the harvest truly is plenteous, but the labourers are few.

"Divine Truth, Life and Love gave Jesus authority over sin, sickness and death," writes Mary Baker Eddy in "Science and Health with Key to the Scriptures." Again she says,

Three Services Scheduled For Lutheran Church

First Lutheran Church, corner of Acacia and Sonoma avenues, will have the three regular services on Sunday, June 11, at 8:45, 10:45 and 7:30, with Holy Communion being celebrated at the 10:45 service and also at 7:30.

Pastor Paul Wenske is recovering from his illness satisfactorily and will be able to conduct the services next Sunday.

During the 10:45 service a gift of a wide-coverage typewriter will be dedicated for the use in the church work. This typewriter is a gift to the church from Mr. and Mrs. Ben Friberg Jr., in memory of their mother, Mrs. Ben Friberg Sr.

REV. BELLO ATTENDS EDUCATION CONFERENCE

Rev. Arthur Bello, of St. Andrew's Episcopal Church, is attending a special Educational Conference of the Episcopal churches being held in Pasadena.

Ministers from the entire West Coast are meeting to discuss plans for the denomination's program of education.

The meeting, which began Monday, will continue through tomorrow, the Rev. Mr. Bello said.

Instructors at the conference are from the College of Preachers in Washington, D. C., he said.

GOAL SIMPLICITY

Simplicity of manner is the last attainment. Men are very long afraid of being natural, from the dread of being taken for ordinary.—Jeffrey.

"Be no more willing to suffer the illusion that you are sick or that some disease is developing in the system, than you are to yield to a sinful temptation on the ground that sin has its necessities."

Four new neighborhood circles were added to WSCS. They included North Torrance, Hamerton Tract at East road and Vermont avenue, Kettler Knolls, and Pacific Homes in Waveria, the report showed.

Church attendances were shown to have increased during the year, especially with the inauguration of two services on Sunday.

Expansion of the building facilities will be one of the chief concerns for the new year, the Rev. Mr. Miller said.
